

IN OUR OWN VOICE:

“ Voting in this runoff is important for Black womxn and femmes voters in GA because it’s a part of the work to get people in our communities in positions that can shift power and build systems centering our lives.

DR. KRYSTAL REDMAN

“ The GA runoff is about unfinished business. We have to get back to the polls, send in those ballots, and make this entire election be the change we are still fighting for.

GEORGIA RUNOFF ELECTION JANUARY 5, 2021

GEORGIA RUNOFF ELECTION

MAKE A PLAN. SHARE YOUR PLAN.

It is critical for each of us to **MAKE A PLAN** to vote in the Georgia runoff election. Georgia has a history of attempting to suppress the votes of Black women and men.

Make a plan to vote now and encourage your friends, family, and community to do the same. This is a critical part of voter outreach this year. Your plan to vote should include answers to the following question.

> HOW WILL I VOTE?

EARLY VOTING: Where early voting is available, we **HIGHLY RECOMMEND** taking advantage of this option. Make a plan to vote as soon as early voting begins on December 14, 2020.

ABSENTEE/MAIL-IN VOTING: Request your absentee or mail-in ballot as soon as possible and return it immediately. We recommend that you mail your ballot in **NO LATER** than December 15, 2020 (three weeks before January 5, 2021), to ensure that your vote is counted.

VOTING ON ELECTION DAY: If you are voting on January 5, 2021, make a plan that allows time for longer lines than usual. Stay in line until you vote, no matter what time it is and no matter what anyone tells you. If you are in line when the polls close, you are entitled to vote. Find your polling location. Map out your route to get there, including parking. Whenever possible, go to vote along with other members of your community. Wear comfortable shoes, and bring snacks and water.

> EARLY VOTING

Polls are open for early voting **December 14, 2020, to January 1, 2021**. Hours may vary based on where you live and the impact of COVID-19. Please check with your county elections clerk for more information at sos.ga.gov.

> VOTING BY MAIL/ABSENTEE VOTING

Georgia law allows for absentee and mail-in ballots to be requested as early as 180 days before an election. Complete an absentee ballot application and return it by December 14. You can apply online, or fill out the application and return it by mail, fax, or email (as an attachment), or in person to your local county board of registrars office. To request an absentee or mail-in ballot, visit ballotrequest.sos.ga.gov.

OUR CAUSES

In Our Own Voice advocates for issues that impact Black women, such as affordable health care, abortion access, equal pay, quality education, LGBTQ+ liberation, criminal justice reform, and maternal health.

- **AFFORDABLE HEALTH CARE:** The uninsured rate for American adults is 13.7%, with Black people at an even higher rate of 14.8%. However, there are some encouraging trends:
 - **Abortion access:** We support access to abortion care, including public insurance coverage so every woman — regardless of her income — can access affordable and safe abortion care when she needs it.
- **QUALITY EDUCATION:** We support the right to achieve academic excellence in a safe, welcoming, and dignified environment, and reject zero-tolerance policies that feed the school-to-prison pipeline.
- **MATERNAL HEALTH:** We support Black women's access to high-quality, affordable health care before, during, and after pregnancy as a critical component of our human rights.
- **LGBTQ+ LIBERATION:** We support programs and policies to ensure that Black LGBTQ+ individuals, particularly youth, have the right and resources to make healthy decisions about their lives, bodies, genders, and sexualities.
- **ECONOMIC RIGHTS:** We support equal pay, a living wage, and economic policies that incorporate race, gender, and socioeconomic status — all of which impact the lives and opportunities of Black women and their families.
- **CRIMINAL JUSTICE REFORM:** Black Georgians are 3.3 times more likely to be incarcerated than white Georgians. We support policies to ensure that all people are treated with respect and are not subject to unjust racial and gender profiling or unfair and biased sentencing.
