Repro Rights
Repro **Justice**

Goals of Georgia Anti-Shackling Initiative

Justice for women & girls

- Stop the inhumane and unjust practice of shackling
- Make sure all women have reproductive freedoms

Inclusion of incarcerated women & girls in reproductive freedom work

- Make sure women who interact with criminal justice system have a voice
- Recognize the difference in reproductive needs of women in jails and prisons

Expansion of Reproductive Justice Coalitions

- Strengthen faith-based partnerships
- Find common ground with new community partners

Legal Intervention

Issue Open Records Requests to State Prisons & County Jails

- Use state law to request data
- Request information on other reproductive health issues
- Budget for production & copy costs

Compile Records

- Plan on follow-up calls & duplicate requests
- Implement uniform record keeping

Analyze Data

- No policy, good policy, bad policy
- Policy provided by contract medical provider

Report Data

- Easily accessible for stakeholders & advocates
- Recognition for good policies

Outcomes of Legal Intervention

- Snapshot of reproductive health services provided by state prisons and jails
- Data to share with legislators
- Dialogue created with sheriffs and medical providers; supporters identified
- Pubic education materials that are geographically specific and timely
